

TSUBAKI CHAIN BREAKER

FOR EASY DISASSEMBLING OF SINGLE STRAND TSUBAKI ROLLER CHAINS

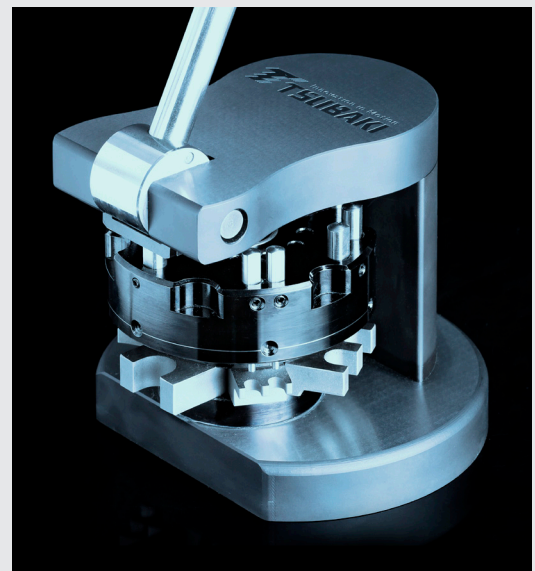

Disassembling single strand roller chain was never easier with the all new TSUBAKI Chain Breaker.

Designed for most common European and ANSI sizes reaching from RS05B up to RS16B and RS35 up to RS80. This precision instrument will even allow you to cut TSUBAKI'S Heavy Duty RS80 chain to the desired length.

The TSUBAKI Chain Breaker is available from stock and supplied as complete set including Tool Set, Assembly Set and Instruction Manual (English language).

Range of application:

DIN/BS Chain	ANSI Chain	Heavy Duty Chain	Gamma Motorcycle Chain (non sealed)
RS05B-1 (0,315")			
RS06B-1 (3/8")	RS35-1 (3/8")		
RS08B-1 (1/2")	RS40-1 (1/2")		428 (1/2")
RS10B-1 (5/8")	RS50-1 (5/8")		530 (5/8")
RS12B-1 (3/4")	RS60-1 (3/4")		
RS16B-1 (1")	RS80-1 (1")	RS80-SUP-1 (1")
